The Secretary to the Government of

H. H. the Maharaja of Mysore,

Revenue Department, Bangalore.

Sir,

I have the honour to state that this office compound adjoins a very important high-road which always forms a part of the route along which distinguished personages like the Viceroys are made to drive during their visits to Bangalore and the necessity of keeping the compound in a presentable condition is great and I understand that the Private Secretary to His Highness had made mention of it with my predecessor in office, Dr. Nanjappa.

2. The area which measures about 5 acres had not been cared for all these years and the single gardener on Rs.10/- sanctioned in G.O.No. G.2219-20/Med.83-19-2 dated 30-7-20, is not able to cope with the work. The appointment of a second gardener on a pay of Rs.8/- is found to be absolutely necessary to keep the grounds neat and tidy.

A

3. Under the authority of G.O.No.G.11509-10/Med.134-06-4 dated 7th June 1907, an expenditure of Rs.4/- per mensem is being incurred for the wages of a sweeper and waterman. I propose appointing the present sweeper and waterman, as a whole time menial designating him as sweeper and gardener, so that he may do his present duties of sweeping and also help the gardener in maintaining the compound in a fit condition.

Requesting early orders in the matter of appointment of a second gardener on a pay of Rs 17-

One of the peons will be made to do the duty of waterman.

4. I request sanction to the proposal with effect from the 1st January 1920; the extra cost during the current year being met from the contingencies of my office. Due provision will be made in the future budgets, the grant under contingencies of my office being correspondingly reduced.

5. I understand that the sweepers of the offices of the State Geologist, the Comptroller and the Inspector General of Police, are wholetime men, borne on the permanent establishments. So that my proposal is not without precedents.
